About Us

Lynda Marine, headquartered in Hong Kong, is a yacht management company that offers global yacht charter, sales, maintenance, training, and services. With its international professional management expertise and local resources, LM provides highly competitive one-stop concierge services in popular sailing destinations worldwide.

All vessels managed by LM are equipped with carefully selected crews, chefs, and stewards/stewardesses and are meticulously maintained to the standards of a five-star hotel.

Purchasing yacht membership is just the first step in the yachting lifestyle. LM prudently follows the principle of prioritizing the members' interests in every decision and is committed to addressing any pain points that members may encounter during their vessel's usage.

Design language: Luxurious, innovative, and performance-driven

Accommodation: Features four spacious guest cabins — 1 master suite, 2 VIP cabins, and 1 bunk room — along with two dedicated crew cabins. Accommodates up to 8 guests for overnight charters, with a daytime/static capacity of 24 to 30 guests.

Primary Cruising Area: Hong Kong (available worldwide upon request)

Dimensions: 62 feet in length, 31 feet in beam, 28 tons displacement, with a draft of 1.65 meters.

Fuel & Water Capacity: 1,200-liter fuel tank and 1,150-liter fresh water tank.

Crew: Professionally managed by a team of 3 full-time crew.

Engines: Twin Yanmar 150HP engines with bow thrusters for precise maneuverability.

Sails: Main sail, jib, and spinnaker crafted from premium Hydranet material.

Appliances: 200L/hour watermaker, ice maker, wine cellar, water dispenser, retractable TV, and state-of-the-art karaoke system.

Galley: Fully equipped separate kitchen with gas stove, induction cooker, microwave, oven, dishwasher, and waste disposal unit.

Tender & Toys: 4.2-meter tender with 60HP Suzuki outboard engine. Includes 4 x 200 psi scuba tanks, water skis, Jobe Bina towable, stand-up paddleboard, kayak, and a 4x8m inflatable swimming pool.

Connectivity: Starlink Maritime satellite internet and local 5G Wi-Fi 7 system.

Power Systems: Two 12kW generators, plus 6,800 watts of solar panels and a 45kWh lithium-ion battery—sufficient to run the air conditioning system for a full day off-grid.
